POSTDOCTORAL OPPORTUNITY

Postdoctoral Fellowships (one year) to develop and apply new analytical tools on agriculture and nutrition in Africa and Asia. The fellowships are part of a larger project on Innovative Metrics and Methods for Agriculture and Nutrition Actions (IMMANA), funded by the UK Department for International Development (DFID) and managed by the London School of Hygiene and Tropical Medicine (LSHTM) and the Friedman School of Nutrition at Tufts University.

More about IMMANA Fellowships

JOBS

Oregon State University, Department of Applied Economics, Assistant Professor, Economics of Sustainable Development. The department seeks a faculty member whose interests cross the boundary between development and sustainability issues and would complement the Department’s strengths in quantitative research in agricultural economics, environmental and resource economics, economics of technology and productivity measurement, agricultural and environmental policy, and rural and regional economics. Deadline is: January 2, 2015

http://oregonstate.edu/jobs/ and search for Posting # 0013302.

All announcements should be sent to Debbie Conway, Editor, in Room 202 Morrill Hall of Agriculture or e-mail: conway@msu.edu NO LATER than 12 noon on Thursday; after 12, they will be in the next Bi-WEEKLY edition.
