CONFERENCES
Water Initiative for the Future (WatIF) International Graduate Student Conference. Being held at Queen’s University Kingston, ON on July 27-29, 2016. The WatIF conference is a novel international conference organized by a multidisciplinary group of graduate students for graduate students. This conference will encourage collaboration and communication among students from universities across disciplines and geographic locations by giving them an opportunity to share their research at all stages (from budding ideas to a finished product). Water Initiative for the Future hopes to create a community of young professionals who will move forward in their careers with their peers.

JOBS
The International Fund for Agricultural Development (IFAD) is an international financial institution and a specialized United Nations agency dedicated to eradicating rural poverty and hunger. It does so by investing in rural people. IFAD finances programmes and projects that increase agricultural productivity and raise rural incomes, and advocates at the local, national and international level for policies that contribute to rural transformation. The position is for a Senior Researcher at IFAD Research and Impact Assessment Division.

All announcements should be sent to Debbie Conway, Editor, in Room 202 Morrill Hall of Agriculture or e-mail: conway@msu.edu NO LATER than 12 noon on Thursday; after 12, they will be in the next BI-WEEKLY edition.
