CALL FOR PAPERS

JOBS

Kansas State University. Department of Agricultural Economics, Assistant Professor. In addition to expertise in international development and food policy, the successful candidate will be encouraged to collaborate with other faculty in areas that might include production agriculture, agricultural marketing, agribusiness, resource economics, climate change, energy, risk management, and/or trade. Deadline is October 31, 2013 http://www.aaea.org/employmentopps/job-openings/assistantprof-kansas

Duke University’s Nicholas School of the Environment invites applications for a faculty position in Marine Policy and Governance. We seek a social scientist working on marine issues, broadly construed, at the local, regional, national, or international level. We welcome applications from candidates with a PhD in any social science discipline, or related fields such as law. Deadline is: October 31, 2013 http://www.nicholas.duke.edu/people/employment
University of Vermont, Gund Institute seeks a Research Assistant Professor in behavioral Economics. The Research Professor will complement our strengths in ecosystem services; ecological economics; food systems; and sustainable landscapes and seascapes. Consistent with the mission of the Institute, we seek a scientist interested in both advancing research frontiers and addressing concrete environmental issues. The position is a nine-month faculty appointment with full salary support for an expected three-year term. Deadline is: November 1, 2013 UVM’s jobs site (posting #0040992).
